Their English is of a very high standard, however, our regional accents and noisy venues can sometimes cause them slight difficulties. Along with the rest of our team they are committed to ensuring you have a fantastic holiday and your patience will be more than rewarded by their enthusiasm.

The law dictates that smoking is not allowed in any public building, which includes the Skyline Pavillion at Butlins. Smoking areas are located outside Centre Stage and The Sun & Moon.

During the winter months the Resort may be subject to icy conditions. The main roads and access routes to accommodation and facilities will be treated to allow safe movement around the Resort. If you identify an area where further treatment is required, please inform Guest Services or alternatively Security on 01754 769653.
